Product Name:	Large Breed Chicken and Rice
GA Code:	PBN

A Complete Food for your Adult Dog

This kibble is highly digestible, palatable and hypoallergenic. It is specially formulated without wheat and wheat gluten to provide a complete diet. It contains a full complement of vitamins and minerals with the addition of omega-3 and 6 fatty acids, zinc and biotin to promote a healthy skin and coat. It will also promote joint mobility and repair because it contains glucosamine, MSM and chondroitin sulphate. It is specifically formulated to provide the correct ratio of protein to fat to ensure ideal growth and maintenance nutrition for your large breed dog.
